Triple-E

EEE-Build

ModTruss

Forward-thinking track expert **Triple-E** is launching an industry-changing construction arm to its business under the name **EEE-Build**.

The first product to be launched is an inspired new 'universal building system' called **ModTruss**.

Come to our ABTT Theatre Show industry seminar, 11:45am on Wednesday 24th June, to find out more. Visit Triple-E at ABTT on stand D10.
